“ I met Marlene many years ago through our mutual friend Ada Morella. In those days we spent many Friday nights at Leone's Restaurant laughing & sharing stories of mutual friends. Marlene knew my dad, Tony losco for many years before I ever met her because they would see each other frequently at Maybrook court house. He too was very fond of her. Once she & I met, I was made to feel like we knew each other forever & always would. She had an infectious smile & zest for being with her friends & I think she considered me one of them. Marlene, you were a beautiful soul & you fought the good fight. May you Rest in Peace knowing you will be missed .

“ I was deeply saddened to learn of Marlene's passing. Her suffering is over but our memories of her and that wonderful smile that could light up a room remain with us. Marlene, you will be missed! God bless!
