“ *My condolences to the Giles Family. Marv it was an honor to work with him on the Police force. He was a credit to the Melrose Park Police and my watch. He was always there to help people and do what was right for his fellow workers. God has welcomed him into his arms and will watch over his children. I will pray for all of you and wish I could attend the services, but unable to walk or get out. I am almost at death's doorway myself and will soon be seeing him. “ We feel so bad at Marvin's passing; he was literally a great guy that we always enjoyed spending time with. He was far too young and I'm sure he will be greatly missed by family, extended family and friends. Our sympathies go out to his sisters, their families, extended family and all who knew and loved Marvin. He literally was a very special guy!
Love,
Cousins Dick & Joyce
