“ *Dear Bernice, Jackie, Billy and other family,*

My husband George and I can only imagine your heartbreak. Please know we are sending our sympathy and prayers. May your wonderful memories bring you comfort.

I immediately liked Mary Ann when I first met her and felt she was special simply because she was Linda's mother. Over the years I came to love her just for herself and greatly valued the friendship we developed. Oh how I will miss hearing her voice and our long telephone conversations. I am mourning her passing, but happy to think she is now with Linda and dancing with the angels.

“ My name is Veronica Cisco. I worked Asbury Court and that is where I met Mary Ann. On my first day she made me feel so welcome. She always helped me when I had questions. Mary Ann and I shared many Friday nights just sitting at the front desk talking and laughing. We had a lot of fun while I worked there. She will always hold a special place in my heart. She will be missed.

“ I remember the summer of 1966. I had a summer job running a drill press for a friend of my dad. He had a shop on Charleston street. I would get by Mary Ann after work and I would have dinner with the family. This would be one of many times she would take care of me, Wally, or dad. She was always there for me. She was my second mom, my sister and best friend

Maryann was the sweetest, kindest person you could find. She always made me feel at home when Wally n I came to visit in Illinois. She was the best sister-in-law I could have. I always loved when she'd say "how are you honey".... I will miss that sweet soft voice calling. An "Angel" you are now n always were before. Thank you for the fun times n little things you sent home with us and your recipe for "piggy in a blanket"...the best. Love you Maryann!! Thank you for being a part of my life! 🥺❤️🌹
