“ *We know it must be an especially sad time for Matt's family and friends. For us, Matt will be remembered for his friendship, kindness, humor and generosity. Whenever we were able to visit, we were always greeted with the warmest of hugs and smiles. He would generously include us in all the family was doing, meals, cards, discussions and gentle ribbing. He was the patriarch of a very special family and his passing brought sincere sadness in our hearts for the loss. Arne and Jane Larson*
