“ *Very sorry for your family's loss. Matt was a helpful colleague to the Retail team at WTW and often spoke fondly of his family. Last we spoke, he shared he was helping his son get ready for college. I'm grateful to have seen him on a team happy hour zoom call he played guitar for us. It was really a great time! I wish your family strength and healing during this difficult time of loss.*

With Great Sympathy,

“ *My sincerest condolences to Matt's family and friends. I have been working with Matt since 2014 at WTW from another continent. He was such a cheerful and friendly person, he always had words to make me smile and laugh. He will be so greatly missed by me and by all colleagues who have had a chance to work with him for those many years. May you find the strength and courage to go through these difficult times. I am really sorry for your loss. Patri (that's how he called me) - Patricia Van Bergen from Willis Towers Watson Brussels, Belgium*

“ *Rest In Peace Matt. I'll always remember you for how warm and caring you were. I was the flower girl in Matt and Anna's wedding and that's a memory I'll always cherish. Being apart of such a beautiful day and sharing it with all of our loved ones. That's how I'll always remember Matt. I'm so sorry for your loss but just know he's the brightest star in the sky now watching over everyone. I love you anna and send my love to the kiddos.*

“ I never knew Matt's family, but I could tell he cared a lot about them. What I did know though was how great of a work colleague Matt was. Matt and I sold a number of deals together. I'd open the door and he'd run through it. Sometimes I didn't even need to open the door as I'd often say, Matt would run through walls for me! His family should know Matt worked hard to provide for them. All in all, a very good man.

“ *My nephew, Ken, married Josie Vaccaro, Anna's sister. From the first day of meeting the family it was clear to me Ken was joining a strong, loving, and special family. Matt instantly stood out with his warmth and smile. The kids were so young back then and you could see and feel the love and pride he had for each of them and his wife, Anna. Matt didn't change one bit over the years, always the smile and good nature. He will be remembered as one of the true kind and great men you hope to meet during your lifetime. He will rest in peace and watch over all of them.*

“ I’ve known Matt since our days at Sears Shop at Home. I took my wife (girlfriend at the time) on our first date real golfing with Matt. I remember many a Saturday playing games at work, getting breakfast and hitting buckets of golf balls. This is a hard loss for me of a friendship over 30 years. Our condolences to Anna and her family at this time. We are here for you.

“ *My condolences to Anna, and all the family. Matt and I were friends
almost from the start of high school. He was a great friend, talented
musician, and just a great guy. I can still hear his huge laugh and
see his big smile as if it was yesterday. I'm so glad he made the trip
with his family to Texas a few years ago and I got the chance to
meet everyone....you could tell how much he loved them. Rest In
Peace, my friend....Mike*

Thoughts and prayers to the whole Kanzia family. I was a friend and classmate of Matt back at St. Joes. While I haven't seen him since the high school days, it is clear to me based on the memorials and memories shared here, that he continued to to be the funny, kind and amazing friend and person I remembered him to be back in high school. I'm so sorry for your loss.
