“ I knew Mavis when she worked @ Gottlieb Center for Fitness, she took care of all of my 3 girls there. She was the most caring and lovely woman and my girls loved her as I did.
I'll always remember Mavis and will miss her so.
My sincere condolences to her family 🙏

“ Our beloved Aunt Mavis whom God has called to her eternal home, the angels have joyfully carried her from this earthly home to her heavenly home.
For those of us who had the privilege of knowing her and whose lives were touched by her, particularly mine I can only say: thank God for bringing Aunt Mavis into our family when she married my uncle Morris. I will forever remember her gentle spirit, patience, kindness, love and laughter.
Rest in peace Aunt Mavis. 😊☐

“ Known to us as Miss Mavis
I remembered while living in Canada your home was a place I could go to hide, get some peace, and great food.
You left a void behind when you migrated to the US. I found peace knowing you would remain in my family, a phone call or visits away, as you married my uncle.
Your gentle spirit, soft spoken, welcoming smiles, and great food, complimented the home. Your love was meant to be!!
God has called you home, may he welcome you with the Angels, where you are now at peace.
You will be greatly missed by everyone!

“ Aunt May as you were affectionately called, I will remember your gentleness, love and sincerity. For the times when I visited your home you were a loving and caring wife to my uncle Morris. You were such a loving, soft spoken and beautiful soul. May the angels welcome you into paradise. Sleep well in the peace of Christ Jesus whom you loved and served during your life here. May Mother Mary wrap you under her mantle and present you to her Son our Lord and Saviour Jesus Christ. SIP. ❤️🙏❤️😊
