“ What can you say about a guy you have been friends with for over 60 years. We played together, hung together, went to High school together, worked together, shared many meals together, vacationed together and you know what? We never, ever had an argument or disagreement (We both were Cub Fans). I'll miss you buddy. You were always there for me.

“ When my friend left this world he took a big part of me with him. We were partners, friends and brothers for over 40 years. Most of the time we were doing something together whether it be a new business adventure, a night at the races, having dinner or drinking a cup of coffee and laughing. We baptized each others kids, we coached baseball together, we played racquetball, basketball, softball and golf. We made late night calls when someone needed help. We took many trips and vacations together. Once in while we would argue who the better team was, Cubs or Sox. I helped him up on Wednesday and we hugged and he patted me on my shoulder and back, I knew then he was ready to say goodbye and rest. I once heard when Sammy Davis died, Dean Martin lost half of his life. I know now what that feels like. There will be no more photo finish losses. No more pain. Save me a seat Mick. I'll see you soon.

As you always called me, Joey Sansone

“ Joey, Mikey, Suzy, and Charese,
We had so many great times with Mickey "Mikadeech"! We enjoyed
him coming to dinner at my parents. We would play games and
laugh. He loved hearing about Krista and softball. He even came to
some games. My husband loved going to Maywood track with him
too! Our whole family will miss him dearly. May he rest in peace.
Love always,

“ Joe, Suzie, Mikey and ,Charese,

No words can express my feelings. I loved your dad like a brother. We had so many good times when he would come over for dinner and take a ride to the casino. He was such a wonderful person to everyone and always made us laugh. May the memories you hold in your heart give you comfort.

Me and Uncle Dave will always be here for you kids.

God Bless you all.

To the entire Caliendo family, I send my deepest condolences. I know what you are all feeling, cause I loved him to. He was a good friend, a person you could tell anything to and get a honest answer. He helped me out so many times. I know he was the "glue" to your family, and will be missed so much. Happy memories will help me, and I hope do the same for you. God bless you all.
