“ I never got to meet Mike but I love Rosie and I could see he made her infinitely happy. I just want Ro, her family and Mike's family to know that even those of us who live far away and didn't get to meet him know how much he means to her. I just can't believe this news and my heart is breaking right now for everyone who loves both of them and their families.

“ *So much love has been shared between the Giglio's and the Giblin's through the years, that I feel as though we are family. Mike was such a wonderful addition! He was so genuine and sincere. He had a smile that could light up a room and touch a heart. His sense of humor and zest for life exuded from his very soul. Thank you for touching my life Mike O'Rourke. I was blessed to have known you. Rest now my young friend and watch over your sweet wife from the perch of an Angel.*
