“ *Little Mike, the guys use to call him, we hung out in our younger days, we stood up at Big Mike wedding years ago, Big Mike first marriage, little mike was his best man at that wedding. Remember little Mike use to like the song Wolly Bully, when it came on the radio in the car we were riding in, he pumped on the brakes in tone with the song:) We had some fun times in those years. I remember when he got mad, he used to bite his hand. You will be missed old buddy.*
