“ My name is Carmen Guido. Mike' s sons Jimmy and Michael and I grew up together in Melrose Park a town I will forever have fond memories of and the foundation of who I became later in life.

Memories of laughter and shared time in his home on 665 Winston Drive in Melrose Park along the Silver Creek. Best basement fun and Mikes wife Rita who passed on too soon was such a good cook and took much humor in Mike, Jimmy and Michael Jr. 38 years ago I move to Dallas Texas but remained in touch with Mike from time to time visiting my family members along with Mike at his home in Elmhurst or meeting somewhere for dinners/lunches with his brother Joey. Wow those two together along with Jimmy were an interesting event always to be around.

I know Mike passed through the Pearly Gates and is being amused with what I have written above.
