“ *Words are so very difficult when your heart is heavy with sadness. The loss of someone so very special has left me knowing that life for all who loved Mickey and were loved by her, won't be the same. My dear cousin, you were more like a sister, a dear friend, someone I could always count on to laugh with, cry with, listen to my complaining and never judge. May the Lord comfort your Sarah, Gerry and your family and hold you in his loving embrace. Until we meet again, I will miss you always!!!*

“ One of my oldest friends and cherished friends. Life pulled us into different geography but I am so glad I spend a bit of time with her at the end. Save me a spot dear friend. Hope you knew you have that forever place in my heart!!!!

“ Mickey and I were friends since 2nd grade at St. Domitilla. We've been through a lot, but supported each other whether we were having a great life or dealing with the many challenges life presented. As my oldest and dearest friend, I wish you much happiness as you reunite with your loved ones in heaven. Until we meet again, you'll always be in my heart ❤️.
