So sorry to hear of the loss of your mother. She was such a kind and sweet lady who was so nice to all of us from St. Pat's. Please know that we will keep you and your family in our thoughts and prayers.

“ Jim, We wanted to share how privileged we feel to have had the chance to know your Mom. She was a very kind,gracious lady. You had shared with us the fact that her special weakness was Coconut Creams. Every year her thank you note was always the first we received for her Christmas Fannie May.
When I came to Jimmy's wake, She jumped up to give me a huge hug and share with some of your relatives how we always remembered her favorite candy. I remember thinking how kind she was to try to make me feel better in the midst of her grief.
Mike also wanted me to mention the video of your Mom with your rescue dog.
The two of them had a special relationship.
We are so glad that you took the time off to be with her the last part of her life.That will mean more to you as time goes by,with some good memories to hold on to thru the grief.
Love to you and your Family. Hang on to each other and the memories.

“ Jimmy, your mother was an incredibly kind and wonderful person who enriched the lives of everyone that knew her. My childhood memories of “Mrs. Mesi” - her laughter, her wisdom, her cooking, are permanently etched in my mind. I am so sorry for your loss. She was a treasure.
