“ *Whenever I hear the word coffee, smell coffee, see coffee, taste
coffee, or see a coffee pot, I will always think of you and how
honored I was to make you coffee when I visited. I will miss that,
and a whole lot more. Gram, say hi to the Angels. Love you!*

“ *My heart is broken but I know you are at peace and have a smile on your face because you get to see all our other ANGELS that you have missed dearly. We will always cherish the memories we have of you gram/nana. We will think of you when we go shopping and will miss eating lunch together at your favorite place. Give everyone a big kiss and hug for me up in heaven. I will see you again one day but until then I will miss you everyday. I LOVE YOU!*
