“ Dearest Natalia,  
My favorite memory of you was your beauty and how well you applied your makeup. You had the most beautiful eyes and smile and had an amazing eye for fashion, style and of course "GLAM". You liked to have fun, laugh, and be silly. And you were so funny and had a great sense of humor. You were polite, sweet and considerate. You were always close to Mom and Nannie and shared everything with them. Mom's nickname for you was "Tal". You loved your Uncle, Cousins and Friends. You were fond of your pets - "Pretty Girl" and "Pretty Girl" and made sure they were well cared for. You will be forever loved and missed.

*Rest in peace sweetheart.*

*Love ya,*

*Debbie DiCianni*

*Those we love don't go away  
They walk beside us every day  
Unseen, unheard, but always near  
Still loved, still missed and very dear*
