“ Ron, Rich and family. I am so deeply sorry for your loss. I had known Nick for many years going back to our "Madigans " days. We reconnected this past year, and it was so wonderful to hear his voice on the phone after all this time. You could always "hear" Nicky's smile in his voice. You couldn't help but love Nick. He will always be in my heart and I cherish the memories of the good times we shared back in the day. Keeping all of you in my thoughts and prayers.
Love

“ They say that we are forever connected by the experiences and friendships we share. With you my friend there were many memories we shared when we were just figuring out who we were. Back then we stood in the fires wondering if life would melt us like butter or make us stronger like steel. We toughened up to move through our lives remembering that our marshmallow hearts would be seen by those who were like minded. I wish we would have had more time but you'll forever hold a place in my heart. Forever friends.
