“ Hello to all of Patty's family. Our cousin Marc Perilli recently told us of Patty's passing. Reading her obituary brought back memories of all of the wonderful people our parents were lucky to know and love. Sending you all good thoughts and prayers, and hoping the wonderful memories of Patty, will continue to sustain you.

Peace,
Gussie Lenehan and all of Frank and Mary (Pagone) Mastrantonio's daughters.

“ To my cousin Patty. I'm so glad we were close in age and grew up to have a lasting friendship. When we were younger I remember how much you liked to dance and tried to get me to dance along with you despite my resistance. We are all really grateful for the love and compassion you gave to your cousin (and our aunt) Eleanor over the last twenty years. You were truly her best friend. We will remember you always and you will be very much missed. May you rest-in-peace 'Cuz.' Love, Sammy (sal)

“ My most recent fondest memory of Patty was the Saturday we spent together having dinner, laughing and talking about the old days when our parents were still with us. This is a memory I will always keep. I love you Patty and you will truly be missed. Cousin Dennis.

I will always remember Patty as a caring, attentive friend, as well as a woman who showed passion and perseverance in each and every task she took on. She will always live on as that person in our family's hearts.
