“ She was such a fun person to be around. I remember a lot of laughs at the old EP house when Mrs. Kelley was around. There are so many wonderful memories you all will cherish during these sad times to help you get through the tough times. We are thinking about you all 🙏

“ I am so sorry for the loss, Pearl was a really loving and vibrant woman. If I can take one thing from the time I spent with her, was how to show love to everyone, because that what Pearl did. My heart goes out to family.
