“ *It was an honour to have known you as a patient and having to learn a lot about life and your experiences that you had accumulated over almost 4 generations of a very sound and purposeful life. I was fortunate and blessed as interactions with you taught me a lot and made me understand life in a very pragmatic way. I will cherish these memories and experiences for a life time.*

*Petro You will be missed dearly
Rest in Peace

I will always cherish our memories of growing up and being all together, on Natoma, in River Forest and mostly all the time we all spent together in Florida.

So Long Uncle Petro (as he would always say)
