“ *Sorry to just hear about Phil's passing. He was a good man and a class act. We played golf together years ago and broke bread many times. R.I.P.*

“ *Is this Phillip Cozzo that lived in Cali and was from New Orleans? If so, he was really nice guy that never met a stranger. I am the son of one of his friends. Only met him once when very young and never knew how to find him again. Never will forget how nice he was to us. Donaldowens985@yahoo.com*

“ Sending our prayers and our heartfelt sympathy to the Cozzo Family during this very difficult time. Although we were unable to make the viewing, please know that our thoughts were with you throughout the day. There really are no words that can take away your pain, but with time, the memories and the love that your Family have for Philly and each other will comfort you until you meet again. God Bless Philly and may he rest in peace.

Love,
Sandy and Vicki
