“ *She was a wonderful lady, always full of life. I spend time with her about 3 weeks ago, we laughed we talked. I felt so warm around her she listened to me an gave me advice. I knew she was sick I just prayed she would get better. An now she's gone she got her wings. I know she's going to a better place. No more pain, no more tubes, no more medicines she didn't like taking meds. I will always remember my tia.*
