there are no other words to describe Pete, the man was a legend at Northwest, you will never meet a more generous, kinder person, Pete just lost his wife several months ago, now he's back with the love of his life. we had some great times together, memories i'll always cherish thank you for being my friend....i'm sure the Backgammon Board will be making the journey with you...Peace Be With You Brother.....Chi trova un amico, trova un tesoro.
