“ *Mis más sinceras condolencias. Porfirio fue un gran amigo y compañero de trabajo. Siempre nos saludaba con mucha alegría y una sonrisa contagiosa a todos en la escuela. Todos sabemos lo mucho que amaba a su familia. Me preguntaba sobre mi familia frecuentemente. Decía que iba a pasar el tiempo muy rápido y que disfrutara la niñez de mis hijos. Nuestra escuela no será la misma sin él. Lo extrañamos mucho. Sé que es un tiempo muy difícil para toda su familia, amigos, y conocidos. Rezo para que Dios les de consuelo y paz en sus corazones. Porfirio será el ángel que cuidara de ustedes para siempre. Que en paz descanse.*

My deepest condolences. Porfirio was a great friend and colleague. He always greeted us with great joy and a contagious smile at school. We all know how much he loved his family. He asked me about my family frequently. He said that the time would go by very quickly and that I should enjoy my children's childhood to the fullest. Our school will not be the same without him. We miss him very much. I know this is a very difficult time for all of his family, friends, and acquaintances. I pray that God gives you comfort and peace in your hearts. Porfirio will be the angel watching over you forever. May he rest in peace.

“ Our thoughts and prayers go out to the Vences family at this difficult time!
Wow... still can't believe our Friend/Co-worker/Brother, has left us so soon. On behalf of our lunchroom staff at Gray Elementary we can't begin to say how much our brother will be missed. We will always hold great memories in our hearts, just a few great memories of Pofirio is how he loved to tell stories, every day had a story for us....He talked about his family all the time and how much they meant to him! Porfirio was always a hard working man, that would do anything for anyone! His faith was so very important to him, ALWAYS said a blessing of our food that we had at all our special occasions luncheons!.... One thing we will really miss is his singing, Poririo loved to sing, in the mornings, birthdays and Christmas!
No matter how much you like your work, it's the people who you meet, like our co- worker, friend and brother Porfirio, who left us with a long lasting impression !
Porfirio, we are going to miss you greatly!

Love, Your Gray Family

“ To Porfirio's Dear Family,

I feel very deeply for all of you. Porfirio was a such a joyful person and was one of the friendliest people I've ever met. He greeted everyone not only with a hello by a how are you and he really wanted to know as well. I have heard so many people talk about how he would ask about other people's families and children. I am praying for you all in this time of loss. Porfirio had a life that was well lived and an example to all.

“ Porfirio was the first person I would run into every morning at Gray School. He always greeted me: "hi, teacher!" and we would chat a little before moving on with our work day. He was a kind and good person to the staff and students alike. I will miss his good cheer. My condolences to the entire family.

“ I feel like a better person for just knowing Porfirio. Always there to help others. Always going above and beyond. Always a person we knew we could count on. But aside from the worker Porfirio, was the man Porfirio. He spread joy and kindness every place he went. He only had the kindest things to say about his family. I don't know a man who loved his family more. I don't know a man who worked harder for his family. I don't know a man who wanted as much for his family. The world is a sadder, darker place now. And I can't express how sorry I am for your loss. But please remember that wherever you are, whatever you're doing, he's still with you, watching over you, protecting you. That is the kind of man he is. You will be in my prayers and thoughts.

“ Gray School is devastated by this news. Porfirio always had a story or a smile to share, not just with the staff, but our students. He was fiercely proud of his family and we are all better people to have known him. I am thinking of all of his family during this difficult time. I am so very sorry.
