“ *Pat and Louise,*

My heartfelt sympathy to you and your family. Though I never had the privilege to meet your father, I feel as if I knew him in the way Louise spoke of him. I have been very fortunate to work closely with Louise and would always enjoy the stories and rich heritage she would share of his life.

His work ethic, his personal strengths and his zest for life shows me what a tremendous man of faith and honor he was.

Pat and Louise, I only hope to have my children someday care for me as you all have for your parents. My condolences to you and your family.
