

Mr Ray Ralph Welch

December 18, 1950 - March 16, 2024

Ray Ralph Welch, 73, of Kildeer, IL was surrounded by family when he passed away at home March 16, 2024. He was born December 18, 1950 in Melrose Park, IL to the late Walter and Myrtle Welch. Ray is survived by a circle of family who will love him always: his devoted wife Patricia Welch (nee Salvinolo); loving children Michele (William) Giambrone, Lisa Welch, Anthony (Corey) Welch; proud grandchildren Victoria, Michael, Marie, Anthony, Juliana, Alison and Morgan. Ray was also a fond brother, uncle, godfather and friend to many. In addition to his parents, he is preceded in death by his brother, Walter Welch.

Ray and Tricia were married December 26, 1969, spending 54 years together. Ray worked hard to provide a loving and happy life for the family he and Tricia created and supported together. He worked his way up through the construction industry, eventually founding and co-owning Ricci/Welch contracting company which subsequently became the biggest underground sewer contractor in Illinois. Ray was a proud business owner through his retirement in 2018. It was then that he purchased his first boat and began taking classes to learn how to navigate the waters along the Florida coast. He loved his new hobby because it provided a fun and beautiful environment to share with family and friends. Enjoying the sunshine alongside the people he loved became a gift he gave routinely for many years. Ray will be remembered for his generosity, extreme love, strength of spirit and the forever

life lessons he shared with family. He gave freely and never asked for anything in return, just like the warmth of the sun he so enjoyed.

“ Ray, Wow! Thank you for your long hard work and the beautiful help I found when I lost my husband Bob back in 2016 I know Bob really wanting to do what you did, I was selfish and I never wanted to let him go, because my Father was very sick. I made so many mistakes but one thing I'm truly glad of God put the most beautiful family right in front praying for me daily. I found God, after so many stupid mistakes. We are all born sinners that's for sure. I miss being with the entire family that made my day!! I had so many thanks to write and honestly my brother thru everything around on me because he was tired and I never had any organization as I was married to my job and caring for my parents but my husband was my beautiful soulmate that taught me Chicago better than anyone else. He was my all and all! He loved you and I loved you more as I was number one safe Professional driver out of three Naperville Lots and there were and are hundreds of busses in each location! I respect everyone in Construction and I'm proud to be your cousin and perhaps one day I will upgrade my license again. I'm in mountains here and I love the area my heart goes out to all kids here because their education was better taught in Illinois. You all were in the right schools there. God bless you Ray!! So proud to be reading this all because I'm sick. Love ❤️ you!!

“ Ray was always a generous, giving cousin. My earliest memory of that was when Ray was about five or six years old. He was attending Sunday mass with his family, and had been given money to put in the collection basket.. He somehow missed the basket when it passed him, but made sure to give his donation in his own way. He left his seat, walked down the center aisle to the priest, who by this time was facing the altar. He tapped the priest on the shoulder and handed him his donation. He later explained that he was giving it to God. We all loved him for that.

Sending my deepest condolences on the passing of Ray. My late husband “Bobby” as Ray called him, and I have been friends for a lifetime. The times shared together bring a smile to my face and warmth to my heart. May your memories bring comfort.
