“ Dearest Lois and Family...We share in your sorrow on the passing of Uncle Ray. We have never known a world without Uncle Ray in it. Even though we lived far apart, he was never far from our thoughts, our hearts and our love. He was our favorite Uncle - our Dad's only brother. He always made us feel that each of us were special too! We are comforted, knowing he is reunited with our Dad and Grandma and Grandpa in God's Kingdom. Uncle Ray filled our lives with his quiet, loving presence. The world is much emptier without him in it. As the bird, free of its cage, seeks the heights; so, the Christian soul in death, flies home to God. We love you Uncle Ray!

“ Ray was funny, good, very smart humble and generous. I got to know him when we both studied for the deaconate. He was deeply spiritual. He was a lot like the Jesus we read about in the Bible. And we will miss him so much.

“ Lois -
We heard of Ray's passing and it was painful to hear. We so enjoyed his Masses at Sacred Heart; his homilies and commentaries were always something to look forward to. His manner, his wording and inflections in his voice were never harsh or heavy. His words often stayed with me after the Mass - He was a gentleman, and always demonstrated kindness. His eyes had a smile in them - exactly what we see in this picture, We pray for strength for you, family and friends, to carry you through this difficult time. You will draw on wonderful memories to sustain you. May God guide you to comforting peace.

“ The first time I met Ray he was dancing his pants off at a wedding. After that he was always subdued and a real gentlemen. However, he always had a dry sense of humor and loved to joke. Jokes you say. His favorite was listening to Irene's daily joke material. His love of life, Lois, travel and church will always be remembered. This gentleman of gentlemen will be sorely missed. May all your wonderful memories of Ray get you through this tragic time.
