“ *My heart goes out to the McGarr family. You all welcomed me into your family as one of your own from day one and I will never forget that. Biff made an indelible impact on my life. Even after he wasn't physically a part of my every day he was never out of my thoughts and we never completely lost touch. He's at peace now and I think that is the best anyone could hope for him.*

*Love,*

“ Ray I love you and miss you. Though my heart is broken I know your a better place and with your mom and dad, and grandparents. Say hi to them and my mom, my mom always liked you. You were a good person, funny, always a good time and good laughs with you. I am so glad I had you in my life.

“ *Biff, my darling nephew, how sad I am that you have left us. I miss your quick wit, your teasing (especially of Grandma), your antics at the farm and your unshakable love for your two old Aunts.*

*I'm sure you are with Trish and Ray and Grandma and Grandpa and hope that you are finally at peace. I love you and will miss you always.*
