“ Rey was like the big brother I never had and he always took care of me like a little brother. He took me under his wing since we first met. He was a great friend and I will miss him dearly. Even though we grew apart, any time we talked, it was like time hadn't passed and we picked up where we left off. He was a kind and loving person who didn't judge people and gave everyone a chance. We need more people like him. The world has lost a great human. My condolences to his family, some who I met throughout the years and treated me the same. Love you Rey!

“*Rey Rey, a true friend, always like a brother, whose presence will be deeply missed. I still can't believe it. The shared laughter, the conversations, and the bond felt more like family than friendship. Always humble, loved by many and knew how to make someone laugh no matter what the situation. My deepest condolences to your family and friends. Losing you is a heartbreak beyond words. Descansa en paz, mi hermano. Siempre vivirás en nuestros corazones y recuerdos.*

“*Rey was a close friend of mine. We work together for many of years at law firms downtown in the west and south loop. We grown to be Brothers. Rey Rey, as many people and family called him was always a happy, funny, family guy. He will be missed by a lot and God gave us another Angel to watch over us. I will never forget Rey helping me out with his caring and friendship when I was going threw a divorce and things in my life. He will always say to me a Son, your going to be good bro! so now after work let's go party. It was that same attitude I needed from a good friend at that time and now. I will always have you on my heart and my mind my Brother. Empty Wallets for life bro! I love U!*

“ *Rey was not just a friend he was a life long brother. He was truly devoted to his friends and family but more to his best friends. His friendly demeanor, laughter, and sense of humor will be missed. As kids we grew closer together and it was a bond that grew stronger into adulthood. I will miss him dearly and it was an honor to have him in my life. Until we meet again, I love you brother.*

“ Rey was one of my very best friends since childhood. We grew up side by side, along with our other friends Eddie and Porfirio, and were seldom seen apart from each other growing up. It was a brotherhood formed by the neighborhood, that continued until adulthood. I will miss you my brother, but we will share a hug in God's glorious Kingdom when it is my time. Until then, rest easy my friend.

“ My heart aches knowing that Rey Rey has passed. He was not only my husband's brother but also his best friend. Rey leaves a big hole in his heart and he will never be the same without his brother. Rey was an amazing person who touched so many lives. I am so gratefull for the memories, his generosity and sense of humor. We will all miss you immensely.

“ My sincere condolences to the entire Vazquez family and all those that knew Rey-Rey. I was fortunate to meet my buddy when we were just teenagers. Mireya asked me if I wanted to meet some good looking brothers at her church. Although, we did go for religious services the Vazquez brothers made it more worthwhile...LOL!. The rest is history. During COVID, he helped me remodel my townhouse. He was a horrible handy man. He hung all the closet doors backwards. He corrected them with the exception of one. I will always leave that one door backwards, so that I can remember him and all our laughs. I will miss you tremendously my Rey-Rey. May you rest in eternal peace!
