“ Hi Boezio Family, I am so sorry to hear about the passing of Richard. I just saw this on someones posting on facebook. You may not remember me - This is Donna Carlson (Aikins) - we lived next door to each other for years a long time ago. I have lots of fond memories of doing things with you all and your parents. Richard and I were in school together till our family moved after our 8th grade to Ohio in 68. That's almost 60 years ago. My younger brother, Chuck passed away in 2022 also. It's so sad for all of us to lose them so young. We lived in Monterey CA for 30 years and now live in Palm Desert CA.

Take care. Love and prayers to you all.

“ *Deepest Sympathy, I met Richard when I was 13 and babysitting for his cousin, he has always referred to me as The Babysitter, must have been 30 years later at Madison Meadow Park, when out of the blue I heard, "is that The Babysitter?" Can't pass that park without thinking about him and smiling. This "Babysitter will dearly miss his stories and laughter. RIP Richard*
