“ *To the Valentino family we are so sorry for your loss, Dickie was good friends with my father Charles Farrell and my godfather Don Palermini, they would get to breakfast on Sunday's once or twice a month to catch up. My father was in shock when he found out about Dickie passing away no one contacted him until he spoke to Gwen Palermini and she let him know. He was trying to call Dickie for several weeks and no return call so that is when he called Gwen.*

*He is sorry he did not attend the services, had he known he would of been there. Are prayers and sympathy are with your family.*

*The Farrell Family.*
