“ *To Aunt Mary, Danny, Robby and Michael,*

I know that these few words cannot suitably express how sad I am about the passing of my Uncle Bobby and I understand completely that my profound feelings of loss must pale in comparison to yours. Only our Father in heaven above, and his blessed son Jesus Christ, can sufficiently allay the grief and heartbreak that comes with such sorrow but please know that all of you remain faithfully in our prayers.

Bobby will remain in my heart forever and we ask that all of God's blessings and peace and love be with you all always.

“ AS children we played "school" in the upstairs hallway of Grandma and Grandpa's apt. What fun we had. Bob was always a gentleman and very kind.

Our thoughts and prayers are with Mary and the family.

“ *Mary:*

To you, I don't have adequate words of comfort, except, that there is a Comforter - He who is willing to bear all of our burdens and we can carry them to Him - without fear. Your sweet husband, was my friend and I loved him.... and I love you. May God bless you and breathe peace into your heart and mind, during this time of grief.

“ I want you to know that I loved your Dad, and want you to know also, my Mom did too and was the reason I grew up having the kindest affections for "Uncle Bobby." Only to be validated in my eyes, as an adult. I don't know if you noticed, but I would always give your Dad a kiss when I saw him at our Labor Day picnics. I don't pretend to think that any words I say here, would assuage the sense of loss you feel, only our Heavenly Father can do that. I hope during this season of life you would experience God's richest grace by drawing near to Him.... for He promises that " if you draw near to God, He will draw near to you." (James 4:8). I love you all. Please let me know when there might be a service, I would like to be there.

The grace of God be with you all.
