“ My heart is broken for each of you. I am so grateful that I was able to meet Bob and his big personality at Rapallo! Both of us from Chicago we began to banter back and forth!!  
I was then fortunate to meet his lovely wife! I am so grateful we all had a dinner together last season, such a treat and now, a fond memory! His presence will be missed at the pool side without a doubt. Stories have been and will continue to be shared keeping his spirit alive!

It seemed Bob lived as he wanted and enjoyed it all!! I pray all the wonderful memories will lift each of his beloved family members during this sad time. There was no doubt how he adored his family! He met my grandchildren at the pool one day and spoke to them with such caring! The next season they remembered his name!! You are missed!

We thank you for your humor, your stories, and for always making us feel like a close part of your family. We love and miss you, and will always have the best memories and moments shared together in our hearts.

“ *Our prayers to all of your family Carlye. Bobby and I were boyhood friends. He lived on 18th and I lived on 17th. Just had to cut across the alley to each others home. Such fond memories of our childhood friendship which included some mischief of burning a neighbors garage to see fire trucks. Funny now but definitely not at the time..... a good friend and will be missed.*

“ *Phyllis Pease,  
I have fond memories of our child hood  
together. We spent a lot of time together in  
our younger years being close Cousins.  
Dancing in the basement, Bar-B-Q's in your  
back yard, and picking cherries from the cherry tree. The thing I'll  
miss most is your phone calls on special occasions. You never  
forgot my birthday, you were the first call I'd get on that day. I'll  
remember you always. Hope your favorite Aunt was waiting for you  
with a smile. Gone to soon. A Donation has been made to
