“ *Bob was a great man and father in law. I have the upmost respect for him. He welcomed me and my kids into his family with open arms and for that I will always be grateful. He treated me like I was his own son. I will always remember our talks and how he always encouraged me. Bob will be greatly missed.*

“ Rob and family. My heart is heavy for you all. This simple writing help me through a tough time and I hope it will for all you also.

When those we love go away, they never really leave us; As long as we can love each other, and remember our feelings of love we had, we can die without ever going away. All the love you created is still there. All the memories are still there. You live on in the hearts of everyone you touched and nurtured while you were here.

"Death ends a life, Not a relationship" Smile and keep the memories alive!
