“ *Bob you will be greatly missed. We are going to miss seeing that shiny red Jeep cruising the neighborhood and seeing you and Sharon out and about. You would always stop by and we would have some laughs. You where our friend and neighbor for over 20+ years. Thank you! Bob you will be greatly missed. Rest In Peace our friend.*

“ I'll never forget the first time Marc introduced me to Bob (& Sharon) - I was living in the city and he asked his dad if he & mom would like to meet us at Lawrence's on Canal for dinner. I was so nervous & that's not like me. He wasn't to friendly and got more questions than in a job interview. When we left, I had no clue how it went. He warmed up after a few more times we all met. I quickly learned that was just Bob's way. Fast forward 6 or so years and Bob & Sharon were celebrating our wedding & got to meet my dad before he passed just 4 months after the wedding. Bob was like a father to me since. Whenever he told me he didn't like someone, I would say "there was a day you didn't like me either & now look where we are". He laughed :->) I shook my head at you a lot for your behavior, but I will miss him driving by the house and hearing "hey good looking, what's up?" Until we meet again. Nanc

“ Marc, Mike and Mrs. Fricke, We are so saddened by the news of Mr. Fricke. Being a kid growing up around the Fricke family, he always made me feel safe when he was around. Mr. Fricke was like a dad to alot of people in the neighborhood. Mike and Marc, you guys were lucky to have a dad like him. He will be missed.

“ Rest in Peace, Bob. You were a sweet man, always stopping to have a word, or give me a hard time about something. Victor and I enjoyed time spent with you and Sharon whether on a bike ride, or in the garage or over pizza at the bar. Life dealt you some pretty rough cards, but you worked with what you had. Your love for Sharon was undeniable. We will miss you. To Marc and Michael, he was so proud of you both and I know he thought the world of Nancy. May God comfort you.
