“ I'll always remember how Papa Roeder treated me like I was part of the family. I recall him telling me he was happy for me and giving me a huge bear hug when I announced that I was getting married, and the same 2 years later when I announced that I was expecting my first child. It meant a lot to me that he and the Roeder family cared so much about me. I always feel welcome in their home. Papa Roeder and Mama Roeder thank you for everything. Mama Roeder, I am praying for your family and sending you positive vibes and strength. I love you.

“ For Jan and family,

*My memories of Bob always see him with family wrapped around him. He was a strong center with a proud smile as he looked over his kingdom of you, the children, the grandchildren, and other relatives and friends that have all loved him so much.*

*Bob was always positive. I never heard him say a mean word about anyone. I enjoyed watching him, as he enjoyed watching the children's antics. He loved sharing life's stories. It was obvious he adored you, Jan. Bob enjoyed his life because you and the family were his. His smile will eternally belong to everyone of us. I will miss his big bear hugs. He is greatly missed.*

*I love you cousin. Let our Lord's arms hold you.*

“ One memory of Bob that none of us will forget is when my family was visiting Chicago and our grandson, Sparky, was 2 years old, and Bob was always teasing him and spending time with him while we toured the city. On our last day Bob couldn't join us and as we walked out of the hotel lobby, Sparky said "WHERE'S BOB"?

“ I've known Bobby since my childhood growing up with his sister Kim. When I read paw-paw to his furry babies it brought back a memory I thought I'd share. Years ago I went with Kim to visit Bob and family- he had a small dog (the name slips my memory) but he couldn't wait to show us how his baby did the army crawl. It was the cutest crawl and cute to see this big guy on the floor with this little pup. RIP Bobby 🙏
