“ Where do you start describing Uncle Bob so many things come to mind. Kind, compassionate, strong, funny, understanding and generous beyond words. He was a man with a strong will and strong voice but when it came to us kids a soft and gentle heart. He found ways to spend time with each of us in ways that for us were fun but for him silently getting to spend that quality time and showing his love in his own way. His love for Aunt Karen and Dennis was strong and they were the light of his life. Us kids made him crazy of which he let us know but loved every second of it. As we gre up he enjoyed getting to know and enjoy our families as share his gift of love and laughter with them. Not everyone is lucky enough to have to have an “Uncle Bob” but to myself and my cousins growing up we were lucky we had one. I know your up there looking at us in your car tee shirt jeans and checkered vans saying” what’s all the fuss” your all the fuss because a part of us went with you. I think all of us kids feel the same. Fly high Uncle Bob no pain anymore you have a piece of us all forever. I love you and thank you for all the memories and helping make my childhood fun

“ You've thought me so much. I can't even breathe or see the screen I'm typing on right now. Because it hurts to know that you're gone. I love you unc more than you ever knew. The time I'll never get back hurts even more....there's not enough flowers in the world that I could give you to show you how grateful I was and am that you were apart of my life. I'm fallin apart without you here.....”

“ *This pic is of Uncle Bob & my Dad at Grandma Lupo's on Christmas during the 80s. Uncle Bob will be missed. I loved his voice and laugh, both so deep and comforting.*
