“ *My Great Aunt, and a Great Great Aunt to my kids. And she really was great! I loved her and her fun spirit and joyful energy. She was a bright light and I always enjoyed being around her. She also reminded me so much of my Grandma, her sister. Her laugh was contagious. She will be missed. My condolences to my Great Uncle Lou, Marc, Mike, and their families. Much love.*

“ *What a great aunt she was. My brother and I grew up with her in the same two flat, then a few doors down, and after she got married she was always just a few blocks away. She was always a positive presence in our lives. Lots of fun, lots of bling, and tons of love for all of her family. Kathy and I will always remember her love of life and never missing the opportunity to enjoy everybody's special moments. We will miss her.*

Aunt Rochi was more of a sister to us than an aunt. She shared every holiday, birthday, graduation, christening and wedding with us over our entire lives. She took our kids and then our grandkids under her loving arms. Family was the most important thing in her life. She leaves for much deserved rest and peace but leaves a gaping hole in all our lives. Much love to you
