“ *My heart aches for the loss of such a wonderful man. Every time I saw him, he always had a smile on his face and a warmth about him. Animals loved him. Children loved him. He just had something about him that drew people to him. He was approachable, patient, understanding, fun, and just an all around pleasure to be around. This is truly a heartbreaking loss. I pray for his family to find the strength that Romolo instilled in them.*

“ My deepest heartfelt sympathy is for the entire family. Romolo was one of the best!  
I will always remember his kindness, gentleness and smile. He will be missed terribly. I pray for strength from God to see his family through this. It's always difficult for those left behind, but always believe we will all see each other in eternity whenever God has chosen that day for each and everyone of us. If there is anything that we can do to help your family through this, please let us know. When you find yourself sad and in tears, just start thinking of all the happy times and memories that were made while he was with you. No one can ever take those happy times away from you as they will be in your souls forever. May God bless all the family and friends at this time. He truly was a wonderful man!
