

Ms. Rosann Pasqualini

May 23, 1945 - June 20, 2016

Rosann Pasqualini Dearly Beloved Daughter of the late Primo and Mary Pasqualini. Dear Sister of the late Joseph. Fond Aunt of Joseph, Mark (Amy), Dan (Amy), Tony (Erin), Great Aunt, Cousin and Friend of Many. Visitation Friday June 24 from 9 until 10:30 A.M. at The Shrine of Our Lady of Mount Carmel. Mass at 10:30. Interment Mt. Carmel Cemetery. Rosann will be sorely missed. Her positivity infected us all. Even as she dealt with her physical ailments, she remained a stalwart optimist surprising and inspiring all who had the honor to spend time with her. She knew MANY people in and around Melrose Park and rarely forgot a name. Rosann was good to everyone. She was truly a warm-hearted person that made the world around her better. She lived her life well and in the service of her family. She always put others ahead of herself. Even as her life slowly faded away, she was caring more for others than herself. Our world can take some lessons from her life story. As we mourn Roseann's passing, please celebrate all the great and wonderful memories she gave to us. Let's also keep her memory alive by serving others as she did the path of Christ.

“ *Our dearest cousin and one of the very best cousins anyone could ever have. She was the very greatest relative. Every time my son tony and I came to Melrose Park we always went to visit Rosann. She was always glad to see us! s She called us where we live in California on Sunday and she went to Heaven on Monday. Some day we will meet you there! I told her on Sunday " I love you Rosann".*

“ *Our family was very sad to hear about Auntie Ro's passing. She was an incredibly sweet and caring person who was always kind and friendly. She even traveled all the way to St. Louis to attend our wedding, which was a very touching gesture. She will be greatly missed by everyone who knew her.*

“ Rosann was always so thoughtful ! She always sent me cards and gifts for special milestones in my life, like graduating and getting married. She was one of the first people to send a gift for our baby Emma. She will be greatly missed. She was such a giving and loving lady!

“ I remember Rosann from Yamos. She was my Boss there. It was my first job back in 1975. She was a great warm person. I do have great memories of her. So sad to hear about her passing. I wish I would have kept in touch through the years. We moved out of Melrose Park long ago

“ Rosann remained my sister-in-law many years after her brother's death. We were good friends and I will miss her but know she is finally at peace and no more pain.

“ *Auntie Roe was one of the most 'authentic' persons we've ever met. She was open, honest, loving, and made the world around her a better place. I couldn't find anise oil to make pizzelles and she made sure Joseph came back to CO and then AZ with the BEST oil and concentration you could find. Tradition was important to her and we will continue to think of her often and her generosity and when we continue our holiday traditions; she will continue to be part of it. Much love and thanks to her helping this Irish gal continue the Italian family traditions and for extending that love to our daughter, Tammy.*

“ Rosann became my Proviso friend 29 years ago. We became fast friends and have always remained in touch. Rosann was a beautiful person. She had a big heart and there was nothing she wouldn't do for you. Rosann never said a bad word about anyone. In spite of all her medical problems you seldom heard her complain or feel sorry for herself. God knew she was getting tired and called her home. She will be missed dearly by so many people. I love you RoRo!

“ Rosann was part of our family growing up living next to Yamo's. I am sure when she saw us kids three to four times a day, she cringed....but she was always a sweetheart to all of us neighborhood kids! Rest in Peace our dear friend.
