“ *Barb, Brad and Brianna,  
My prayers are with all of you. You took very good care of your beloved Mother and that's why she lived so long. She was very proud of her family and loved them very much. She will always be your guardian angel and watch over all of you. May God give your family and your brothers family comfort with all the beautiful memories you will cherish in your hearts. God Bless you all.  
Love you,  
Corinne*
