“ Mom - I can 't have this completely empty. I know you are reorganizing the filing system in Heaven now LOL. You will always be in all of our hearts forever. We love you so much. I already told you all that you needed to know to go be happy and content in Heaven. You are looking down and telling me to calm down and knock it off I know. So I will be brave. I am still trying to figure out how to brave as you but I know you will help me to figure it out. Love, love, love, Lucy. <3
