

Mrs. Sally "Mama J" Jakubowski

July 13, 1930 - June 7, 2015

Sally, "Mama J", Jakubowski (Nee Vos) age 84. Beloved Wife of the late Walter. Loving mother to Mike (Didi) Jakubowski, Sue (Dan) Jakubowski, Dave (Kathy) Jakubowski, Ken (Annette) Jakubowski, Dawn (Jason) Falk, Brad (Charlie) Jakubowski, and Jan (Jason) Stoddard. Cherished Grandmother to Caitlin, Patrick, Meagan, Kayla, Jillian, Kristina, Chad, Amy, Sara, Grant, Justin and Tyler. Dear sister to the late Lorrie Beucher. Aunt, cousin and friend to many. Sally loved playing cards, playing Bingo, fishing, her weekly Beauty Shop visits and listening to music, especially her Country Classics and Mr. Blotto. Sally was not only a mother to her seven children and their spouses, but to all of their friends who walked into her life. We can rest easily knowing that Sally has once again joined Wally in their fishing boat in Heaven.

We would like to say a special Thanks to Jim Szymul, Diane Szymul and Kathy Knicker for getting mom to all of her appointments during her time of need. Special Thanks to all of her wonderful Doctors and especially to Heartland Hospice and her caring nurses, Meagan, Jessica, Diane and the others for their excellent and very compassionate care. Sally will be missed by Many. Visitation for Sally will be Monday from 3-9pm at Carbonara Funeral Home, 1515 North 25th Avenue, Melrose Park. Funeral Service, Tuesday 11 am from the Funeral home. Internet Fairview Memorial Cemetery.

“ *I met "Mama J" at a "Blotto" show many years ago & saw her at many after that as well as other musical events. I have known Dave, Dawn & Ken for a number of years & always thought is was great that their Mother was always present at various festivities. It always took me back to when my Mother was always around. I hope you all find comfort in one another & know that she has made an impression on many more than you can ever imagine. Thank You for sharing her with me for a while.*

“Grandma Sally. That is what my children have called her since they were born. 10 years of grandma Sally. Always time for a hug and a "How are you kiddo?" These drops of caring and kindness have had ripple effects in so many lives. This, to me, is such a legacy. So many have been touched by the simple joy and quiet kindness of this woman's life. One ripple, one kindness, begets another. Maybe Sally didn't know, but by expressing the most simple of expressions, LOVE, she has expressed the best intention of our maker for us. She has brought families and lives together. neighbors. neighborhoods. Roots for us all to build on. Thank you Sally for every Wally story. Everytime you told me your family stories I was reminded that we all need to share. By coming together, we are richer in our lives. We are so busy now, and you reinforced the belief that this coming together, this telling of lives stories. This hug, this hardship, this joy...this caring for family from child to elderly. This re-definition of family to include a network of friends and family and neighbors, and band members, and children is part of her remaining and everlasting legacy. The ripples in the water of life that you have touched will spread.

“Playing cards with Sally for the last 10 years or so was a pure pleasure. I always sat next to her so she could help me read the cards if I had any questions. Win or lose Sally always had a smile. I know she's in heaven playing cards with Debbie and my mom Toni. She's in good company. RIP Sally, you leave us with happy memories. You will be missed! Joan Mok

“ My favorite memory is being invited to six o'clock dinners with the family, and of course telling her I'm fine then trying to ride Brads bike home drunk. My heart and prayers are with all of you. I miss all of you! My love, Kim Giustozzi (Biasco)

“ So sad to say good-bye to Mama J. I know that I am very lucky to have known her. Her friendly smile and demeanor touched so many. Her absence will surely leave a hole for many but I know that she'll live on in her family that she took such loving care of. Cheers to you Mama J. <3
