“ *Sal and I had an interesting and unique relationship. We became friends over nearly 20 years of Travel meetings in many locations and states. He could just look at me with that "Sal" quizzical sideways glance and make me laugh. I can close my eyes and see him clearly, we are driving in his Cadillac to his new office building and he is singing his favorite Chuck Berry tune "Blueberry Hill", loud! He looks over at me and says "don't tell nobody..it's my favorite car tune". He turns it up and I join him singing. It's Sal, what else are you going to do? Such a loss to a family he dearly loved. RIP Sal, you will be missed.*
