“ Dear Grace and family, My deepest sympathy on your brother's passing. Sammy was a cherished childhood friend. With your grandparents living on 22nd and your family on 24th we were together through our grade school years. The fun we shared playing baseball on Stevenson's playground, tag football in the street, ditch, relevio, red rover and the list goes on, were memories I have cherished through my life. We grew up when life was simple and having fun with no money involved was the best! Rest in peace Sammy for heaven awaits you.

Hugs and prayers,
Diane Rubright
