“ On behalf of the family of Sebastiano Gazzano I would like to thank all of you for being here to pay your last respects to a man who cherished life. From simple beginnings back in Sicily Sebastiano started earning a mans wages at the age of 13 working side by side with his older brother Nicolo who was 17 doing farm labor with grown men while their father was a prisoner of war several years during WWII. Those humble beginnings prepared him for the life challenges that were before him. Always the family man he was dedicated to making a better life for his family and left his homeland behind to start a new life with his new bride and raise 4 children in the United States. Some factory work, then construction and Hard and long hours working as a restaurateur. They say that as a parent you are only as happy as your saddest child. Sebastiano lost his son Nicky in a mindless tragedy and another son Angelo is wheelchair bound stricken with MS. Being able to cope with all the adversities that life gives you is the ultimate challenge of faith Sebastiano never waived and always remained devoted to the blessed mother.

Later in life Sebastiano continued his favorite hobbies of bowling, joining a senior league in Dixon, gardening always sharing whatever he grew with friends and neighbors, and painting artwork to give to friends and family. At the end of every day, every man asks himself, “Have I made my spouse and children proud? Did I make their worlds at least a little bit better?” always a caring husband and father, this is the way that Sebastiano lived his life. Sebastiano was a proud man and he took pride in working hard for what he had. He will be missed but his spirit will be with us always.

Sebastiano Sam Gazzano  
your godson
