“ *So sad to learn of Sharon's passing. We grew up across the street from one another. She was always a sweet and gentle person whose beauty remained with her throughout her life. As a child I actually thought the Rose of Sharon tree in the Daley yard was named after her because it was so lovely.*

“ Prayers and blessings for Sharon, may she rest in peace. For the friends and family of Sharon, may your memories of her extraordinary kindness give you some comfort during this time of grief. I've only known Sharon for a few short years, but she was always kind, always happy, and always a joy to talk to - whether it was at the beauty shop, or out for a quick drink at Tom's. We shared many stories, and many laughs - times I will truly cherish for all my life. We have certainly lost one of the good ones, and our lives will be missing something without her.

Sincerely,  
Rose Rolon
