“ *There are many beautiful memories I have of my Aunt Sharon, but what I will always remember is how she loved my kids and named my daughter Sweet Pea before she was even born. Her laugh, her joy and how she no matter what age became my mom's little sister with little sister mannerisms the minute they connected. To know their sisterhood is alive and thriving in heaven grants me peace. To Marc and Nancy, you are warriors who protected and loved with deep devotion and dedication. Love, Krissy* ”

“ I still remember the day I met you. I was so nervous, but you were just the sweetest woman!! I will miss our shopping trips, dinners, & cookie baking days 💜 and the times we spent on the boat & motorcycle rides when Bob got the trike. You treated me like your very own daughter since day one. I treasure every moment we had together & admire your love of the holidays, especially Christmas. I wish you could have met my mom - you two would have loved eachother!! Say hi to her & my dad. The only thing that makes me happy is that you are at peace now & back to the Sharon we remember 💜 miss you...love you...'I'll see ya when I see ya" 🥹

“ When you would always say " you will miss me when I'm gone" was a understatement and I never thought the day would come. I would trade spots with you in a second. You were the best mom Michael and I could have ever asked for. I hope your in a better place. Love you forever. See ya when I get up there... 🥹🥹
