“ *Rest in peace dear old friend. From the time we were kids and your family lived on St. Charles and we played together until the last time I saw you at a St. Paul church celebration, your smile and goodness were always surrounding you. George and I send our love and sympathy to your family.*

“ My heartfelt sympathy to the family of one of my favorite patient, Miss Shirley Tassi . She is now resting with no more pain. I will miss her and her very nice personality. Her nice smile despite of her condition, always a positive person ! I'm glad to have known her and her daughter.

“ *Rest in peace in peace Aunt Shirley. You have certainly earned it. You were such a great inspiration for determination and fighting spirit. You suffered a lot in the last three years but never complained. We could all take a page from your book of love and determination. ST is back with her loving BT forever.*
