“ I was absolutely stunned to get this sad news. I met Stacy while she was a student at Triton College. She was a wonderful, intelligent & passionate person with dreams of being a veterinarian. Her smile would light up the room & she was a joy to work with; A beautiful person inside & out. I hope Stacy knew how many people loved her. I'm praying for her family & friends. This is truly a loss; I will miss you my friend.

“ I'm sorry for the Perez family loss. I had the honor of knowing Stacy for only six years but she was a very important person in my life. Stacy was extremely smart, beautiful, and charming lady who touched my life in a positive way. She could carry on a meaningful conversation for hours. A Highly education individual who will be missed. My prayers are with the family during this time.
