“ This coming Saturday, December 14th, would have been my Mom's 95th birthday! I miss you so very much Mom. A day doesn't go by that I don't think of you and say, "oh Mom!" Nothing has been the same or ever will be. You were our glue Mom! I love you so much but I know you are up in Heaven, my special angel, with so many other special angels. You are watching over me!

“ Mom, not a day goes by that I don't say, "oh Mom". So many times I think, "I have to talk to Mom" or I swear I have heard you calling me. I miss you so much Mom. My life will never be the same without you, my Best Friend, my Stella Rose!

“ On June 10th it will be a year that the paramedics took Mom to Resurrection and little did we know Mom wouldn't be coming home again. Throughout the day Mom was having trouble breathing and the treatments didn't seem to be helping. I knew something was wrong. Around 5:00 pm I asked Mom if she felt a tightness in her chest and for the first time Mom said, "yes". It was the first day of the worse days of my life. I miss you so very much Mom and still can't believe you are gone. I still want to pick up the phone and call you. I need you so much Mom but at least the small consolation I have is that you are totally healthy and with Daddy and many members of our family. Please watch over me Mom, I love and miss you so much and things are not the same. You were the glue that held us all together and we are broken now.

“ Mommo, You have been gone over 8 months and I still can't believe it. The condo is so lonely and so many times I swear I hear you calling for me. Nothing is the same anymore. I miss and love you so much Mom!

“ Cheryl,

I just heard of your loss and extend my sympathy to you and your family. I know how close you and your Mom were and how sad you must be. But as you noted, her suffering is over. She will always be with you, and she will look over you. I remember her fondly from our days at Sears. Everyone loved her. She was fun to work with! You are in my prayers.

“ *Our deepest sympathy to you Cheryl, Kathy, Mike and all the family. I have such fond memories of so many family gatherings with Auntie Stella. One I've thought of many times over the years is when I was a little girl and we'd go to her house for an occasion, Kathy would ask her to play "Little Sally Saucer" with all the little girls there. She never said she was too busy and would sing "Little Sally Saucer" and lead us in the game we all loved. When I started having occasions at my own house I realized how much patience that took when you're busy entertaining, It was so sweet of her. Somehow I feel she's playing "Little Sally Saucer" with all the little girls in heaven now. She was a very special lady!*

“ Stella always held a very special place in my heart. When I was a very young child she was always there to give me her love and support when I needed it so desperately. We always remembered each other's birthdays and Holidays. Now she is with family members which we both loved. We will miss her so much! Rest in peace Stella. We love you.
