“ *Dear Licause Family*

Precious Susan will be so missed

You left us—

You left us smiling because you were always smiling

You left us laughing at your wonderful sense of humor

You left us awed by your spirit of adventure

You left us invigorated, joining your lively activities

You left us inspired by your zest for life

You left us enlightened by your insights and interpretations

You left us each better for knowing you

You left us far too soon

You left us and we miss you.

You left us.

With deepest sympathy

“ *Dear Licause Family,*

My condolences on the loss of your daughter, sister and aunt. Susan was my pretty and witty friend and I will miss her. She always kept me laughing. We bonded over our passion for travel and had many memorable trips together, the most magical being our trip to Peru. She loved her family and adored her nieces and nephews. May she rest in peace and be comforted by God. And maybe take a trip or two with him at her side.

With deepest sympathy,

“ *Judy and Bud, I am still in shock and so very sorry and sad for the loss of your beautiful daughter Susan. It was a pleasure to meet her and share some small talk at our lunch in February. My condolences to you and the entire family. May she rest in eternal peace in the arms of our Lord. 🙏*
